CHAPTER 6

Bibliographical Note

This chapter’s title is borrowed from the book by N. A. Dahl, *Jesus in the Memory of the Early Church* (Minneapolis: Augsburg, 1976), wherein one can find his seminal article on *anamnēsis*. That essay, together with another significant piece, “The Crucified Messiah,” is of fundamental importance for understanding the development of the gospel tradition (see the latter study and other of his essays in *Jesus the Christ: The Historical Origins of Christological Doctrine*, D. H. Juel, ed. [Minneapolis: Fortress Press, 1991]).
